**WELCOME TO NOTTINGHAM**

Nottingham is a great place to live and has something to offer everyone – from a culturally rich city centre to picturesque villages in the surrounding countryside.

The city has a strong independent retail scene alongside designer brands and high-street favourites, which makes Nottingham one of the best shopping destinations in the UK. For those who like to eat out there are a wealth of restaurants with cuisines from every corner of the globe.

For the adventurous, the famous Sherwood Forest is only a short distance away and located on the edge of the Peak District, meaning the great outdoors is just on your doorstep.

THE INVESTMENT CASE

# Why invest in Nottingham?

BUSINESS

## Innovative, forward thinking and fast growing

Nottingham's strategic location and access to road infrastructure has led over 50 national and regional companies to base their headquarters in the city. Global giants such as Boots, Eon, Speedo, Experian, Capital One and Paul Smith service their international client base from this business hub.

Nottingham leads the way in a number of industries including financial and business services, creative and digital, life sciences and advanced manufacturing. Over 60% of the jobs in Nottingham are in knowledge intensive industries, well above the UK average. This vibrant economy attracts young professional talent, many of whom require high quality rental accommodation in the city centre.

1 hr 40 minutes

The proximity of major road links, including the M1, A1, A52, A46 and A42, means the city is easily accessible. Over 70 trains a day run direct to London St. Pancras International. With Eurostar connections direct from St. Pancras, Nottingham is connected into the heart of Europe.

EDUCATION

60,000

With two universities in the heart of the city offering world-class education to over 60,000 students, the ability to attract a diverse and flexible workforce is guaranteed. Nottingham Trent University was ranked the #1 University in 2017 by Times Higher Education.
