LIVING

Prosperity Developments embody an independent approach to residential and mixed-used developments— with affordable quality at the heart of everything we do. This philosophy continues to inform our work, refined over fifteen years of hands-on experience across schemes of varying sizes.

This brochure provides an inside look into the unique 'Neighbourhood' scheme, showcasing our individual approach to providing owner occupiers and buy-to-let investors with an exceptional opportunity to invest in prime Market Town luxury apartments directly with us, the developer, through our unique purchase and payment options.

Very simply, this is about constantly refining our approach and making improvements where they're needed. This is shaped by our own experience but also by the experience of the individuals who live in the homes we've created.

STYLISH

Precision's the order of the day at Prosperity Homes. We take pride in the little details that make our homes special, whether that's the appliances we install in your kitchen or the tiling we use in your bathroom. Our homes come in a range of sizes and designs, and the details will slightly differ depending on the type of home you choose.

THE NEIGHBOURHOOD

All homes within The Neighbourhood are thoughtfully designed to accommodate the many different aspects of everyday life, from working at home to relaxing and entertaining.

N

BEESTON

N

THE BEST OF BOTH WORLDS

The Neighbourhood is a place where work and leisure are balanced in perfect harmony. Beeston is just 3.4 miles from Nottingham city centre and just north of the stunning River Trent and the wildlife-enriched wetlands of Attenborough.

Beeston is known for its academia, with the University of Nottingham's main campus to the north-east of the town centre.

The town is divided by the railway with Beeston's location close to Nottingham makes it something of a commuter hotspot for those working in the city. London St Pancras (1hr, 40mins), Derby (20mins), Leicester (19mins), Birmingham New Street (73mins) and Cardiff (3hrs).

On the roads, the A52 links Beeston with Nottingham, while the M1 motorway is around a 20-minute drive away.

Trams from Beeston reach the city in 25 minutes, while trains from Beeston to Nottingham run every 15 minutes and arrive in the city in 10 minutes.

Many of Nottingham's primary schools are highly regarded and several of those are in Beeston. Eskdale Junior is rated 'Outstanding' by Ofsted, while Beeston Primary, Beeston Fields Primary, Round Hill, John Clifford and Bramcote CofE are all rated 'Very Good'.

THE GOOD HOOD

STAY LOCAL

Beeston's pubs are multiple award winners. The Victoria Hotel close to the station has picked up gongs since the early 2000s and The Malt Shovel and The Crown have both been named among CAMRA's best pubs of the year in recent years.

As well as an array of trendy coffee shops along the high street, including Greenhood Coffee House, Beeston's restaurants serve up almost everything you could think of.

For classic Italian fare, head to Amores on Station Road - the homemade pizzas are outstanding.

If Asian food is more your thing, a visit to Gurkha Express on High Road is a must. Indian, Asian and Nepalese dishes are served up with a modern twist in a great atmosphere.

Vegans and vegetarians, meanwhile, should try Café Roya on Wollaton Road. The venue's menus are regularly updated, too, so there's always something new to try.

NOTTINGHAM

SOMETHING FOR

EVERYONE

Nottingham is ranked as one of the best places to live in the UK. Innovative, forward thinking and fast growing Nottingham is a great place to live and has something to offer everyone - from a culturally rich city centre to picturesque villages in the countryside.

Over 50 national and regional companies have chosen Nottingham as their headquarters including global giants like Boots, Eon, Speedo, Experian, Capital One and Paul Smith. Nottingham leads the way in a number of industries including financial and business services, creative and digital, life sciences and advanced manufacturing, meaning that over 60% of the jobs in Nottingham are in knowledge intensive industries, well above the UK average.

NOTTINGHAM

WHY INVEST

£1 BILLION REGENERATION

Nottingham has embarked on an intense period of economic regeneration, with a £250m redevelopment of the 'Southern Gateway' into the city centre underway; encompassing a remodelled shopping complex and new 'City Hub' college campus. This only adds to the £1bn which has already been invested in Nottingham's infrastructure.

WELL CONNECTED

The proximity of major road links, including the M1, A1, A52, A46 and A42, means the city is easily accessible. Expansion of the award-winning tram network means visitors can get around easily. Over 70 trains a day run direct to London St. Pancras International, the capital is easy to reach with the fastest train taking 1hr 40mins. With Eurostar connections direct from St. Pancras, Nottingham is connected into the heart of Europe.

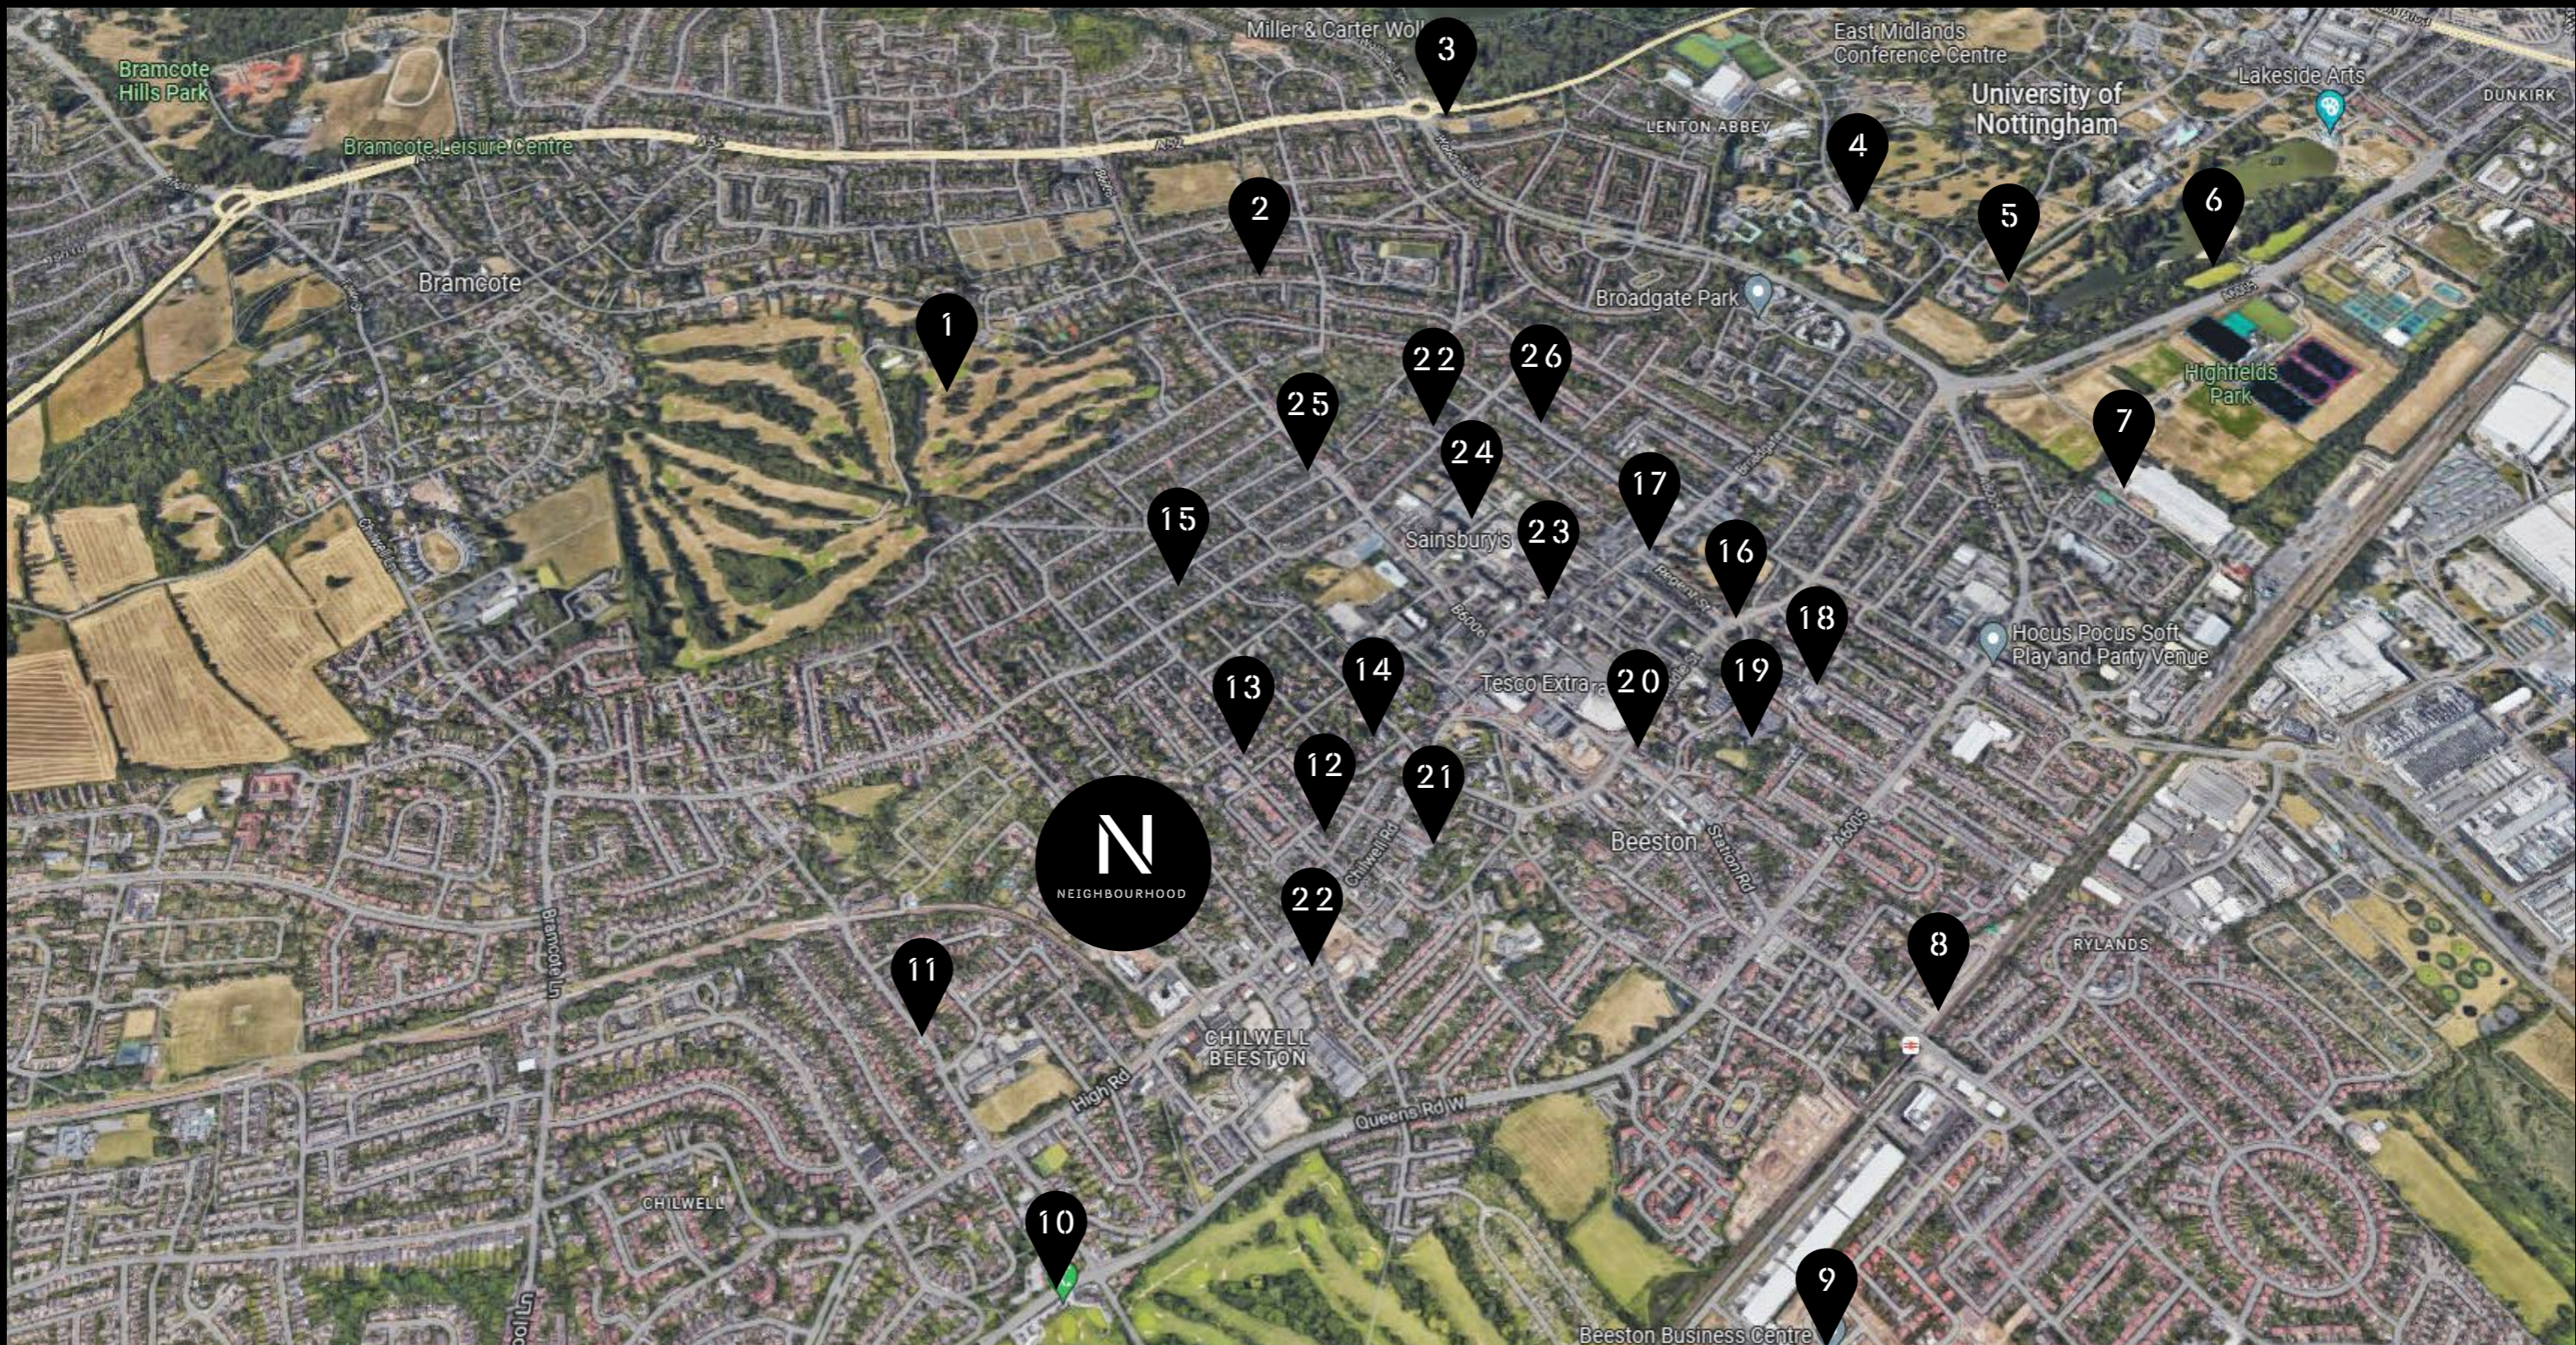

60K STUDENT POPULATION

With two universities in the heart of the city offering world-class education to over 60,000 students, the ability to attract a diverse and flexible workforce is guaranteed. Nottingham Trent University was ranked the #1 University in 2017 by Times Higher Education.

LIVE, SHOP, EXPLORE

The city has a strong independent retail scene alongside designer brands and high-street favourites which makes Nottingham one of the best places in the UK to go shopping. For those who like to eat out, there are a wealth of restaurants with cuisines from every corner of the globe. With Sherwood Forest only a short distance away and located on the edge of the Peak District, the great outdoors is just on the doorstep.
